Procedure followed in the decision making-process including channels of supervision and accountability

There is a set procedure for decision making process, including channels of supervision and accountability, in HP Milkfed as has already been depicted in the Organizational Chart.

RIGHT TO INFORMATION ACT 2005

INFORMATION

IN RESPECT OF HP MILKFED

UNDER SUB CLAUSE (I) OF SECTION 4(I) (b) OF THE RTI ACT,2005.

Norms set by the Department for the discharge of its functions.

The HP Milkfed discharges its functions as per the provisions of HP Milkfed Bye- Laws. At present HP Milkfed discharging the function and activities through different Milk Plants and Chilling Centres established in the areas where surplus milk is available for procurement. The details of Institution functioning in the State are attached.

The Milk supply Schemes were being run by Animal Husbandry Department of Himachal Pradesh since 1967 and the Department had been providing market to the Milk Producers' residing in remote and far-flung area of the State. H.P. Milkfed was registered in 1980. But it started its operation w.e.f. 2nd October, 1983 with the transfer of Dairy Development Activities to it by the Govt. in the district of Mandi, Bilaspur, Hamirpur, Sirmour, Solan and part of Shimla Districts. Una district was subsequently transferred to the Federation w.e.f. 1st May, 1988. Functional activities of milk collection and sale were taken over in this district w.e.f. 1.9.1988 from 1.7.1992 milk supply scheme of the remaining parts of H.P. were also transferred to this Milk Federation.

Objectives of H.P. Milkfed.

1. To organize Milk Producers Cooperative Societies on Anand Pattern in Himachal Pradesh.
 2. To provide a remunerative market to the Milk Producers' for their surplus milk at their door steps.
 3. To ensure availability of milk and milk products in adequate quantity and reasonable prices to the Urban milk consumers.
 4. To encourage the use of balance Cattle feed, Green fodder & scientific management practices.
 5. To encourage women participation in Dairy Cooperatives.
 6. Man power development with a view to increase overall efficiency.
- The Dairy Development Activities in Himachal Pradesh are based on two tier structure of the Dairy Cooperatives. The basic unit of Anand Pattern is a village dairy cooperative societies where the surplus milk of the milk producers is collected and tested and payment made on the basis of the quality. H.P. Milkfed has organized **681** milk cooperative societies having a total membership of **29961**. Out of this **120** women Dairy Cooperatives are also functioning
 - The milk collected by the milk cooperative societies is transported to milk chilling centers where it is chilled. At present H.P. Milkfed is running **23** milk chilling centers having total capacity of **70000** liters per day and seven milk processing plants having a total capacity of **80,000** liters per day. The average milk procurement is about 60000 liters per day from the villages through Village Dairy Cooperatives.
 - At present H.P. Milkfed is running five Milk Processing Plants with a total processing capacity of **80,000** liters per day (Shimla & Kangra 20,000 liters per day, Mandi 10,000 liters per day, Chamba, Rohru, Kafota & Lalsinghi, Jhelara, Una 5,000 liters per day respectively). One more Milk Processing Plants of **5000** liters per day capacity each at Nahan, Sirmaur Distt. is being commissioned shortly.

- The H.P. Milkfed is marketing approximately **20,000** liters of milk per day which includes milk supplies to Army Units in Dagshai, Shimla, Palampur, Dharamshala (Yol). In addition to this H.P. Milkfed is also supplying milk to Model Dairy Karnal & Reliance Dairy Foods Ltd, Saha, Distt. Ambala.

H.P. Govt. has increased milk procurement rates by Rs.1/- per liter w.e.f. w.e.f. 1.5.2010 from Rs 14.80 per litre for cow milk (4 % fat & 8.5 % snf) and from Rs 19/- per litre to Rs 20/- per litre for cow milk (6.5 % fat & 8.5 % snf) thus giving direct financial benefits to 29861 families associated with the Milk Federation.

- H.P. Milk fed has paid approximately an amount of Rs **28** crores during 2009-10 to the milk producers, thus contributing substantially for rural development of the State.
-

DEVELOPMENTAL EFFORTS

In order to utilize surplus milk and increase its revenue and to bring down its losses H.P. Milkfed has initiated the following developmental activities:-

- A new Milk Processing Plant of 5000 liters per day capacity is being commissioned at Nahan during June, 2010.
- A new Milk Processing Plant of 5000 liters per day capacity has been commissioned at Jhelara, Una at a cost of Rs 1.00 crore during March, 2010 under RKVY Project.
- A new Milk Processing Plant of 20,000 LPD capacity & Powder drying Plant is proposed to be set up at Rampur, Distt. Shimla at a cost of Rs. **600.00** lac during 2010-11 (under IDDP & RKVY).
- A new chilling center of 2000 lts capacity would be set up at Geon, Dharmapur, distt Mandi by June, 2010 at a cost of Rs **40.00** lac,
- A new Cattle Feed Plant is being established at Boranj, Distt Hamirpur for which the land has been transferred by HP Govt. at a cost of Rs 75.00 lac.

NEW INNOVATIONS.

- H.P. Milkfed is manufacturing Nutrimix and "Nutrimix manufacturing plant" is installed at Milk Plant, Chakkar to cater to the need of the Welfare Department under ICDS Project. During 2009-10, **17295** qtls of Nutrimix @ Rs 4450/- per quintal was supplied .
- Thus H.P. Milk Federation not only provides a remunerative market to the milk producers living in remote and far-flung areas but also makes available milk and milk products to the consumers in urban areas at a competitive price. In order to ensure that milk is instantaneously chilled at village level, H.P. Milkfed has installed **52** Bulk Milk Coolers and supply order for **14** no BMC s have nebeen placedat village level in various parts of the State. To bring transparency and automation in the testing of milk at Village level, H P Milkfed has installed **15** Automatic Milk Collection Units in different Village Dairy cooperative societies and plans to install **15** new AMCU's during the end of this year.
